

INTERNSHIP EXPERIENCE LETTER

This letter certifies that **Mr. Ehsan Ullah** has successfully completed his unpaid internship program with us at **Alnafi International College**. (<https://alnafi.com/>) for **1 year**. During the period of his engagement, from **March 2023 to August 2025** He has displayed an exemplary commitment to learning and growth.

In addition, **Mr. Ehsan Ullah** demonstrated a solid understanding of **Diploma in Artificial Intelligence Operations AIOps (EduQual Level 6)**, a critical field in modern IT operations, where he applied Artificial Intelligence (AI) and Machine Learning (ML) techniques to optimize and automate IT operations. He showcased his ability to work with data to predict, analyze, and resolve operational issues, applying these techniques in real-world scenarios to enhance system performance and security.

He undertook various courses including LinkedIn Course, Linux, and Python Deep Dive, which equipped him with the skills to navigate the professional world effectively. His intense focus on the CISSP, RHEL Intensive, and SysOps was evident. Moreover, his completion of Ethical Hacking, Incident Response Management, and CIS Top 20 Controls demonstrated his commitment to understanding and preventing security risks. His interest in ICS Security 101, SCADA, ISO 27019:2017, and NIST 800-82 connection, reflects his commitment to the broader aspects of security in a technological environment. He also demonstrated expertise in the DevOps lifecycle, gaining hands-on experience in Docker and Kubernetes for managing and scaling applications. Automation and Infrastructure Management Skilled in tools like Ansible and Vagrant, CI/CD.

Furthermore, he showed his understanding of the importance of data in the modern world, evidenced by his completion of the Learn Data Science Using Python course. His ability to identify, assess, and address vulnerabilities was displayed through his completion of the Vulnerability Assessment and Ethical Hacking courses along with WSTG-LABS. His commitment to mastering foundational mathematical concepts was demonstrated through his completion of Linear Algebra, Probability, Statistics, and Calculus courses. Lastly, his completion of the ISO 27001, 27017, 27018, Lead Implementer and Auditor course shows his understanding of the importance of international standards in information security management.

His dedication, commitment, and hands-on approach during this internship have been commendable. We are confident that the knowledge and skills he has gained during his training with us will serve him well in his future professional endeavors.

Regards,

Osama Anwer Qazi

Director Digital Transformation & AiOps
